The above prices are inclusive of full colour digital printing. Include as many logos as you like, even photographs! There are no additional artwork charges.

*The pricing is based on our **NeoShade Deluxe** marquee range with **Polyester canopy** and also includes a marquee carry bag and full set of quality tent pegs.*

Other configurations also available – contact us for pricing.

Artwork specification:

- Please supply Adobe Illustrator native files (.AI) or saved/exported EPS or PDF files with all fonts outlined and all images embedded.
- Line artwork must be in outlined/vector format.
- Preferred resolution is 40dpi or more at full size. Absolute minimum acceptable resolution for printing is 30dpi at full size.
- All files need to be CMYK with all line work in Spot Colours (Pantone Solid Coated). Images need to be supplied in CMYK format, greyscale, or where duotones are used, set up in Spot Colours (Pantone Solid Coated).
